25 Consecutive Years Averaging Over 100 Points Per Invitational!

21 Consecutive Years Averaging Over 150 Points Per Invitational!

"Success without honor is an unseasoned dish; it will satisfy your hunger, but it won't taste good." ~ Joe Paterno

Point of Reference: Few Class A schools would score 100 points in any meet during the year ...let alone average over 100 points...
We have averaged this for over two decades.
